

# ontoProcData

November 24, 2023

---

ontoProcData-package *A data package for ontoProc*

---

## **Description**

This package manages rda files of multiple ontologies that are used in the ontoProc package. These ontologies were originally downloaded as owl or obo files and converted into Rda files . The files were downloaded at various times but most of them were downloaded on June 22 2021.
